Photo ID Cards & Badges

Product description: For the security minded, why not try out one of our range of photo id cards or badges. Available as either a credit card size or as a badge with fitting. Made from PVC and with a choice of standard direct to card or high definition print (CR80 cards only). CR80 available in landscape or portrait and single or double-sided print.

Badge sizes that can incorporate a photo image are 76mm x 38mm & 76mm x 50mm and can have the standard badge fittings attached to the reverse.

Accessories include:- card holders in various colours, lanyards (bootlace style only), pre-printed (bootlace style) or bespoke with your company logo and/or text (bootlace style & flat-ribbed polyester). For the safety conscious, a safety release or break-away clip can also be incorporated.

All lanyards fitted with 'Trigger' clip fittings as standard with other fittings available. Please ask for details;

Price banded discounts for larger orders!
