Desk Nameplate holders

Product description: Available in various formats from a PVC table sign & Reformed Plastic Laminate through to the very attractive Anodised aluminium desk sign holders. An option is available for specific anodised aluminium holders to be supplied with card inserts in A4 perforated format so that you can generate your own inserts. A clear acetate is also supplied to help stop the card from getting grubby. An outline template can be provided for the inserts in word format to hopefully aid you (some adjustments may be required due to individual printer default settings).

Price banded discounts for larger orders!
